Re: Commission Staff's 3rd Request for an Extension of Time
Docket Nos. E-01933A-07-0402 and E-01933A-05-0650

On September 8, 2009, Tucson Electric Power Company ("TEP") filed a letter in Docket Control indicating that TEP did not object to an Arizona Corporation Commission ("Commission") Staff request for a second 60-day extension on certain tariffs TEP filed on June 8th, 12th, and 16th. Commission Staff has requested a 45-day extension on the review of the filed tariffs; TEP does not object to this request.

Please feel free to contact me with any questions.

Sincerely,

David Couture
